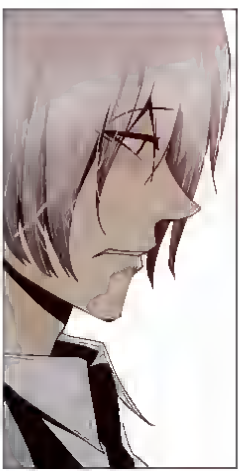
I love you.

They say the operation went well.
It was good that you removed the knife and the arm.
Oh, PsyHee will be here in a bit...
I asked him to check Hyo's injuries as...

Get dressed.
Or at least sit more appropriately.
That knife. I gave it to the little girl.

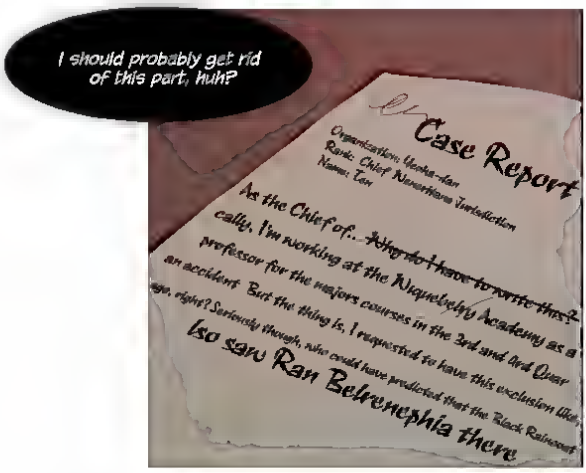
It's not your fault, so don't feel so bad.
If you hadn't been there, Hye really would have died.
I'm also the one who saved Raincoat

And Hyacen followed him because of me.
He likes me.
Ah... So cold.



Geez...

I want to see Semi.



I should probably get rid of this part, huh?
